STONYHURST NEWSLETTER

From the Principal

Dear Parents,

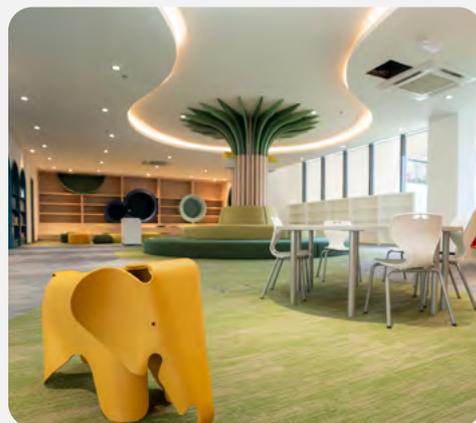

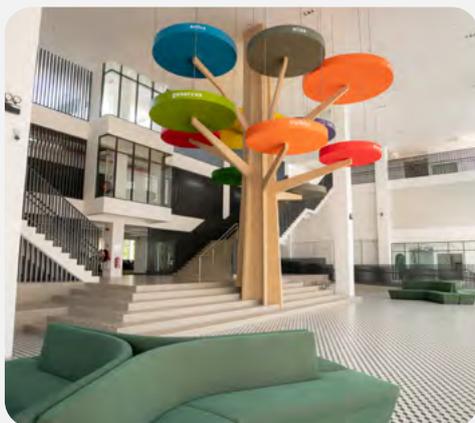

It is with great pleasure that I write this month's introduction to the Stonyhurst International School newsletter for the first time from our newly opened school. It was wonderful to see the school come alive with the presence of teachers and students last Monday and there was a real buzz around the school all week.

Message from the Head of Pastoral

Mrs. Carmen Fitzpatrick

Dear Stonyhurst Community,

Although this past month in the Stonyhurst International School journey has certainly presented its challenges, I need to tell you how inspirational it has also been. Involving myself in all levels of the School as I have, I have felt, first hand, an amazing sense of spirit in the actions and words of our wonderful student and staff community, our Stonyhurst International family.

First Week of School

I asked my 9-year-old to write about her first week at her new school.

Hi, my name is Allereana, and I'm in Year 5.

My first week at Stonyhurst was amazing because I made a few friends and the school is beautiful. The school dining hall is very nice and so is the food. I like how the school prepares well balanced and healthy meals. The food was delicious and I also appreciate that they give you a healthy amount of fruits and vegetables. My favourite meal was rice, beef and vegetables.
