## Message from the Head of Senior School

---

Mr. Richard Moore

I continue to be in awe of our students and their work ethic and their commitment to upholding the JPP values. I have watched every teacher in a variety of lessons and the standard of teaching and learning is of the highest standard.

It was fantastic to see our CCA programme up and running and the dedication and enthusiasm shown by staff and students in all the activities. We will continue to develop the CCA programme over the next few terms and welcome any further suggestions.

## Message from the Head of Junior School

Mrs. Emma Horridge

Last Friday, we had our first assembly in the new auditorium. Assemblies are a key moment in the week for us. They are a time for showing gratitude, for reflection and for thinking about what hopes we have for the upcoming week. Having such a new and wonderful space to share this time in really lifted the students spirits and gave them a new sense of excitement for life in the School.

## Inter-Line Basketball Competition

The Mixed Basketball Inter-Line competition saw some incredibly close games across the Year groups, with all the Lines competing to the best of their abilities and trying to win. All Years from 3 and above contributed to the overall results, with the winning Line getting 400 points towards the end-of-year Inter-Line trophy. Despite their best efforts, in 4th place were Weld. Narrowly ahead of Weld in 3rd place were Shireburn. The top 2 teams were separated by just half a point, but it was St. Omers who were pipped into 2nd place, with the overall winners of the first ever Stonyhurst International School, Inter-Line competition, Campion.
