

Academic Excellence

Open - Classroom Culture

Stonyhurst International School is proud to be a school which prioritises and promotes academic excellence. Through a supportive and collaborative open-classroom culture, staff regularly visit lessons in other subjects to 'look for learning', share and reflect on teaching and learning strategies, and get to know how they can better support pupils in their own subject areas. The energy and enthusiasm of our students is continuously evident, as is the breadth and depth of our innovative curriculum, and it is wonderful to see pupils so engaged and active in their learning on a daily basis.

Perspectives and Horizons

EAL Workshop

On October 13th, the Learning Support department organised a workshop to shed light on how support is structured for our English as an Additional Language (EAL) and Special Educational Needs (SEN) pupils. The workshop was led by Ms Yvonne, Head of Learning Support, where she explained the process of identifying and implementing tailored support. We're committed to ensuring every child receives the education they deserve at Stonyhurst.

P.MED Meeting in Stonyhurst

We were proud and honoured to host a meeting for members from the Penang Centre of Medical Tourism (P.MED) on 20th October 2023. P.MED is a group of 15 private hospitals and 17 associate members (in the allied health services field) who promote medical tourism in Penang. They were formed in 2015 under the aegis of the Penang State Tourism Board, Penang Global Tourism (PGT).

British High Commissioner's Visit

The British High Commission has long supported the development of Stonyhurst International School Penang. On Oct 31st, we were delighted to welcome the new British High Commissioner, Ailsa Terry to our school. She met with our Head of Schools before being led on a tour of the school by four members of our pupil councils - Sher Lyn, Ian, Eugene and Arthur. They shared their experiences of receiving a British-style education within Malaysia. We look forward to continuing our close relationship.

Halloween - All Hallows Dress Up

On Oct 31st, we had a spook-tacular time at the Halloween dress up day. Pupils were encouraged to unleash their creativity and come to school dressed in their favourite Halloween costumes; there were superheroes, princesses, witches, skeletons, popular characters from spooky films and even a dinosaur! Some of the teachers dressed up too! It was a fantastic opportunity for our students to express themselves and have fun and of course, create memorable moments.
